Introduction

Volunteers working in our Viking schools bring with them a range of skills and experience that can enhance the learning opportunities of children at our school. We welcome and encourage volunteers from the local community.

Our Volunteers include:

- Members of the Governing Body
- Parents of pupils
- Ex-pupils
- Students on work experience
- University students referred to us by Student Volunteer Services
- Ex-members of staff
- Local residents
- Friends of the school

The types of activities that Volunteers are engaged include:

- Hearing children read
- Working with small groups of children

- Working alongside individual children
- Accompanying school visits

Becoming a Volunteer

Anyone wishing to become a volunteer, either for a one off event such as a school visit or on a more regular basis, e.g. hearing children read, usually approaches the School Office directly.

Volunteers should complete the Volunteer Information Sheet (Appendix 1) with their contact details, type of activities they would like to help with, and the times they are available to help.

Before starting to help in school, volunteers should complete the Volunteer Agreement (Appendix 2), which sets out the school's expectations of volunteers and asks the Volunteers to confirm they have received a copy of this policy.

Our Viking Academy Trust School-wide Aims:

All adults who work in our schools, whether a paid member of staff or a volunteer, are expected to work and behave in such a way as to actively promote our Trust and school aims and educational purpose as identified below:

- Nourish the diverse talents of our children, widen their horizons, and develop their appetite for learning, enabling them to live life to the full.
- Bring to an individual the feeling that they can cope with their environment with a sense of confidence in themselves as a significant competent person.
- Encourage children to feel capable of handling situations which challenge their intellectual, personal, spiritual and moral values; showing tolerance of others, ultimately to be equipped with adult life and working in a fast changing society.

Our educational purpose is:

- To teach the national curriculum in a manner which excites the interest and commitment of the children and meets their present and future needs.
- To develop attitudes, skills and knowledge which will be relevant to our learners as they prepare to meet the widening expectations of a changing society. We regard personal development as a lifelong learning process.
- To value all children equally whatever their stage of development and offer experiences which give them the maximum sense of success.
- To afford all children quality of opportunity and not be discriminated against on the grounds of class, colour, gender, religion or disability.
- To provide a partnership between schools, parents and the wider community each having contributions to make to the development of the other.

Confidentiality

Volunteers in school are bound by a code of confidentiality. Any concerns that Volunteers have about the children they work/come into contact with should be voiced with the Class Teacher and not with the parents of the children/persons outside school. If it is a comment which a child makes which gives rise to concerns then the designated person, Mrs Arthur (Head of School) should be informed directly.

Comments regarding children's behaviour or learning can be highly sensitive, and if taken out of context can cause distress to the parents of a child if they hear about such issues through a third party other than directly from the school. Volunteers who are concerned about anything another adult in the school does or says should raise the matter with the Executive Headteacher, Heads of School or other senior members of staff.

Supervision

All volunteers work under the supervision of the Class Teacher of the class to which they are assigned. Teachers retain responsibility for the children at all times, including the children's behaviour and the activity they are undertaking.

Volunteers should have clear guidance from the Teacher as to how an activity is carried out/what the expected outcome of an activity is.

Volunteers are encouraged to seek further advice/guidance from the Teacher in the event of any query/problem regarding children's understanding of a task or behaviour.

A member of staff holds designated responsibility for 'Volunteers' working in their school. Volunteers will be told who this person is as part of their initial induction meeting.

Health and Safety

Individual Viking schools have a Health and Safety Policy and this is made available on request to Volunteers working in the school. Class Teachers ensure that Volunteers are clear about emergency procedures (e.g. fire alarm evacuation) and about any safety aspects associated with a particular task (e.g. D&T equipment, accompanying children on visits). Volunteers need to exercise due care and attention and report any obvious hazards or concerns to the Class Teacher/Heads of School.

Safeguarding / Child Protection

The welfare of our children is paramount. To ensure the safety of our children, we adopt the following procedures:

- All volunteers are given a Volunteer Policy and asked to sign a Volunteer Agreement (Appendix 2)
- To ensure the safety of our pupils at all times, if you are helping more than four times in a month you will require an Enhanced DBS disclosure.
- Where a Volunteer is engaged in a 'one-off' activity e.g. helping supervise a group of children as part of a class visit, no formal checks are carried out on these volunteers. These volunteers, who are under constant supervision of school staff, must read and sign our Off-site visit agreement (Appendix 3)

Complaints Procedure

Any complaints made by or about a Volunteer will be referred to the Heads of School for investigation.

Monitoring and Review

This policy has been approved by the Board of Trustees and will be reviewed every three years and updated in the light of the new guidance from the DfE.
