

Updated Covid-19 Catch-up Premium Allocations academic year 2020 to 2021 and February payment

¹School estate as at February 2021 from Get Information About Schools

²Academy status including February 2021 converters

³Pupil numbers in national curriculum year groups reception through to year 11 as recorded on the October 2020 school census (including the apportionment of unresolved duplicates)

⁴Pupils in Mainstream schools will receive a rate of £80 per place, pupils in SEN units will receive the higher rate of £240 for those places

⁵Initial payment is 3/12ths of the provisional allocation rounded up to the nearest £10. Local authorities paid on 30 September and academies on 8 October

⁶Spring payment includes adjustment to Autumn payment using updated School Census data.

⁷Final Summer payment is the remainder of the Total allocation after the payments of the Autumn and Spring payments
