

**School Services**

Your biggest spend and your biggest asset! This asset comes with a fair amount of work too, and this is where we can help, whatever your area of need.

- A comprehensive HR framework of effective people systems and processes
- Expert HR consultancy and advice based on up-to-date legislation
- Support and solutions on recruitment and retention
- A timely and effective payroll provider who you can speak with at a moment's notice

Our people and services team have a proven track record of developing a service to meet your workforce requirements and support your staff for the overall benefit of your people and your children.
