Part of The Viking Academy Trust

5th December 2018

On behalf of all at Upton Junior School, thank you for attending our Open Day.

I hope your time with us today has provided you with all the information you need to help you to choose a junior school for your child. Upton is continually developing and building upon the outstanding things that make Upton the successful school that it is. We have an experienced and committed staff, friendly and polite children, a broad and challenging curriculum and the most vital ingredient of all: parents that support and value their child's learning.

Our aim at Upton is to ensure that every child makes the most of his or her abilities - whatever they may be. We know that a child will only reach their full potential if home and school work together. We are deeply committed, therefore, to forging those vital links with families from the very beginning - and we hope that today has been the start of this relationship!

I have enclosed further information about our school along with samples of our newsletters and communications to give you a taste of life as an Upton Junior School parent.

If you have any questions or would like to come back and visit us again, I would be more than happy to conduct an individual tour, meet with you to answer any specific points you would like to address or respond to your questions on the telephone or via email.

Thank you again for taking the time to visit Upton. We hope you will soon be part of our special school family.

Yours sincerely

Miss D Arthur
Head of School

One Childhood One Chance
