

Viking Academy Trust
Career Progression Planner (CPP)

To be completed as part of Appraisal documentation. For the Trust to support your career progression we encourage open, honest responses. Equally, we recognise there may be staff that have reached a point of contentment in their career and are happy to remain where they are. If this is true for you, please share this on this CPP.

Teaching staff are expected to complete this form and discuss contents with their appraiser. For other staff, the CPP is optional. Please read CPD Career Progression Policy before completing this CPP.
