Expectations for our School Community:

Children who do not adhere to this policy:

- Will be given spare uniform to change into
- Will have a letter sent home
- Will have items confiscated for the day
- Will be asked to remove nail varnish and make up

All staff will closely monitor pupils to make sure they are in correct uniform. In cases where it is suspected that financial hardship has resulted in a pupil not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation.

The **Senior Leadership Team** will meet with parents/carers where children are consistently not in the correct uniform.

Parents and carers are expected to make sure their child has the correct school uniform and PE kit, and that every item is:

- Clean and in good condition
- Clearly labelled with the child's name

We request that any parent /carer struggling to meet the cost of our essential uniform get in touch with the Head of School, so that we can swiftly resolve this situation.

Limiting the Cost of School Uniform:

Under new Department for Education statutory guidance for September 2022, our school has a duty to make sure that the uniform we require is affordable. We understand that our branded items cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We ensure our uniform:

- Provides the best value for money for parents/carers
- Has available branded items
- Has unbranded items available as an alternative

We will also ensure that we provide parents and carers with information on our **pre-loved uniform** for sale, which is available for sale via our local [Schoolwear Centre](#).

For information on our pre-loved uniform please ask at the school office.

We request that any parent /carer struggling to meet the cost of our essential uniform get in touch with the Head of School, so that we can swiftly resolve this situation.

Equality Statement

The Equality Act 2010 prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

We have carefully considered and analysed the impact of this policy on equality and the possible implications for pupils with protected characteristics, as part of our commitment to meet the Public Sector Equality Duty (PSED) requirement to have due regard to the need to eliminate discrimination, advance equality of opportunity and foster good relations.

This policy has been equality impact assessed and we believe that it is in line with the Equality Act 2010 as it is fair, it does not prioritise or disadvantage any pupil and it helps to promote equality at this school.

We pledge to carefully consider adaptations to our policy on the grounds of equality, by asking pupils' parents / guardians to get in touch with the Head of School, who can answer questions about the policy and respond to any requests on the basis of any protected characteristics.
