1. Policy scope and objectives

- This policy is based on DfE guidance “[Preventing and Tackling Bullying](#)” and supporting documents. It also considers the DfE guidance “[Keeping Children Safe in Education](#)”, “[Behaviour in schools](#)” and “[Searching, screening and confiscation at school](#)”. The school has also read Childnet’s “[Cyberbullying: Understand, Prevent and Respond: Guidance for Schools](#)”.
- This policy outlines what Upton Junior School will do to prevent and tackle all forms of bullying.
- The policy has been adopted with the involvement of the whole school community.
- Upton Junior School is committed to developing an anti-bullying culture where the bullying of adults, children or young people is not tolerated in any form.

2. Links with other school policies and practices

- This policy links with other school policies, practices and action plans, including but not limited to:
 - Behaviour policy
 - Complaints policy
 - Child Protection policy
 - Confidentiality policy
 - Acceptable Use Policies (AUP)
 - Curriculum policies, such as, RSE/RSHE, PSHE
 - Mobile and smart technology policy
 - Social media policy

3. Links to legislation

- There are several pieces of legislation which set out measures and actions for schools in response to bullying, as well as criminal and civil law. These may include (but are not limited to):
 - The Education and Inspection Act 2006, 2011
 - The Equality Act 2010, including Public Sector Equality Duty
 - The Children Act 1989

- Protection from Harassment Act 1997
- The Malicious Communications Act 1988
- Public Order Act 1986

4. Responsibilities

- It is the responsibility of:
 - The headteacher to communicate this policy to our community, to ensure that disciplinary measures are applied fairly, consistently and reasonably, and that a member of the senior leadership team (Ross Kettle and Gemma Scarr, Assistant Heads) has been identified to take overall responsibility.
 - Governors to take a lead role in monitoring and reviewing this policy.
 - The Designated Safeguarding Lead (DSL) to ensure that all forms of bullying (including cyberbullying, prejudice-based and discriminatory bullying) are recognised by our community as being abusive (specifically child-on-child and/or emotional abuse) and to ensure that any concerns are responded to as safeguarding concerns, in line with our child protection policy.
 - All staff, including governors, senior leadership, teaching and non-teaching staff, to support, uphold and implement this policy accordingly.
 - Parents/carers to support their children and work in partnership with the school.
 - Pupils to abide by the policy.

5. Definition of bullying

- Bullying is recognised by Upton Junior School as being a form of child-on-child abuse and that children can abuse other children.
- Bullying is considered to be a ‘behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally’ - DfE ‘Preventing and Tackling Bullying’.
 - Bullying can take many forms and is often motivated by prejudice against groups; for example on grounds of race, religion, gender, sexual orientation, special educational needs or disabilities, or because a child is adopted, in care or has caring responsibilities. It might be motivated by actual differences between children, or perceived differences.
 - Bullying can involve an imbalance of power between the perpetrator and the victim; this could involve perpetrators of bullying having control over the relationship which makes it difficult for those they bully to defend themselves. An imbalance of power can manifest itself in several ways, it may be physical, psychological (knowing what upsets someone), derive from an intellectual imbalance, or by having access to the support of a group, or the capacity to socially isolate.
 - Bullying can result in the intimidation of a person or persons through the threat of violence or by isolating them either physically or online.
 - Bullying can include physical and emotional abuse such as name calling, taunting, mocking, making offensive comments, kicking, hitting, taking belongings, producing offensive graffiti, gossiping, peer isolation (for example, excluding people from groups) and spreading hurtful and untruthful rumours.
 - The same unacceptable behaviours can be expressed online; this is sometimes called online bullying or cyberbullying; specifically, this can include sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.

- Upton Junior School recognises that bullying can be emotionally abusive and can cause severe and adverse effects on children’s emotional development.
- Upton Junior School believes that bullying should never be tolerated or passed off as “banter”, “just having a laugh” or “part of growing up”.
 - If left unchallenged or dismissed as “banter”, it can lead to reluctance to report other safeguarding concerns or unacceptable behaviour. Early intervention sets clear expectations of the behaviour that is and isn’t acceptable and will help stop negative behaviours escalating.
- We recognise that even if there are no reports of bullying, it does not mean it is not happening, and it may be the case that it is just not being reported.
- All victims of bullying will be taken seriously and offered appropriate support, regardless of where the abuse takes place.

6. Forms and types of bullying covered by this policy

- Bullying can happen to anyone. This policy covers all types and forms of bullying including but not limited to:
 - Bullying related to physical appearance

- Bullying is not tolerated at Upton Junior School, and any reported incidents will be dealt with quickly and effectively.
- By effectively preventing and tackling bullying, our school can help to create a safe and positive environment, where pupils are safe and feel safe, are treated respectfully and are able to learn and fulfil their potential.

7.1 Our community:

- Understands the importance of challenging inappropriate behaviours between children.
- Monitors and reviews our anti-bullying policy and practice on a regular basis.
- Supports staff to promote positive relationships to help prevent bullying.
- Recognises that some members of our community may be more vulnerable to bullying and its impact than others, for example, children with Special Education Needs, Disabilities or Medical/Health Conditions and children who are, or who are perceived to be lesbian, gay, bisexual or transgender/gender questioning. Being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, as/if required.
- Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
- Ensures our pupils are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.
- Requires all members of the community to work with the school to uphold the anti-bullying policy.
- Recognises the potential impact of bullying on the wider family of those affected so will work in partnership with parents/carers regarding all reported bullying concerns and will seek to keep them informed at all stages.

 - Appropriate sanctions and support, for example as identified within the school behaviour policy and child protection policy, will be implemented in consultation with all parties concerned.
 - If necessary, other agencies may be consulted or involved, for example the police if a criminal offence has been committed, or Integrated Children Services if a child is felt to be at risk of significant harm.
 - Where the bullying of or by pupils takes place off school site or outside of normal school hours (including online/cyberbullying), the school will ensure that the concern is fully investigated and responded to in line with this policy and the school behaviour policy. If required, the DSL will collaborate with DSLs at other settings.

 - Requesting the deletion of locally held content and content posted online if they contravene school behavioural policies.
 - Where an individual can be identified, the school will ensure that appropriate sanctions are implemented to change the attitude and behaviour of the bully, as well as ensuring access to any additional help or support they may need.

8.3 Supporting Adults

- Our school takes measures to prevent and tackle bullying among pupils; however, it is equally important to recognise that bullying of adults, including staff and parents, whether by pupils, parents or other staff members, is unacceptable.
- Adults who have been bullied or affected will be supported by:
 - Offering an immediate opportunity to discuss the concern with the designated safeguarding lead, a senior member of staff and/or the headteacher.
 - Advising them to keep a record of the bullying as evidence and discuss how to respond to future concerns.
 - Where the bullying takes place off school site or outside of normal school hours (including online), the school will still investigate the concern and ensure that appropriate action is taken in accordance with the schools' behaviour and discipline policy.
